Application No. 10516,595 Amendment dated October 22, 2007 Reply to Office Action of July 20, 2007

Docket No. 2018-0134PUS1
Art Unit: 1742

Page 2 of 17

AMENDMENTS TO THE SPECIFICATION

The Examiner has objected to the specification alleging that the Page 2, line 28

discloses "BE-A-838796", yet it should be "FR 838796". It appears that the Form PTO

SB/08 submitted with the IDS filed on December 3, 2004, incorrectly read "FR 838796"

instead of the correct citation "BE-A-838796". A copy of BE-A-838796 was included with

the IDS filed December 3, 2004, and thus was fully disclosed by the Applicant.

To address the Examiner's objection to the specification, a corrected Form PTO

SB/08 and another copy of the previously submitted BE-A-838796 document are enclosed

with this Amendment for the convenience of the Examiner.
